## 4.) PUBLIC COMMENTS:

## 5.) OLD/NEW BUSINESS:

- **Prothonotary's Office:** Prothonotary Noah Marlier will present and discuss with those present the Hope Cards Program.
- **Stormwater Management**: The 4th graders from Evergreen Elementary and students from PVHS will both be speaking. The group will be discussing four projects that they have been involved in to promote environmental sustainability and stewardship. A major focus of these projects is stormwater management. As part of this presentation will be a discussion on the installation of Rain Garden B which would be less than 5,000 square feet of disturbance and no new impervious coverage. This will be a project being accomplished by the students of the Perkiomen Valley School District. A

Stormwater Operation and Maintenance Agreement would be a requisite, but in consideration under the Township's PA DEP MS4 Program, the Board will discuss waiving any fees in the preparing and recoding of said Agreement as well as the granting of an exemption from the need of a Stormwater Permit for this rain garden.
