

Dear Resident

PERKIOMEN TOWNSHIP

Perkiomen Township awarded a contract for proposed road work to be completed in 2021. On or about April 26, 2021, the contractor will begin the work on this project. Below is a summary of the proposed road work:

ROAD PROJECTS

Dieber Road – The roadway will be repaired in select areas where notable base failure has occurred. Upon completion of the select base repair, the roadway will be overlaid with new bituminous paving.

Pennypacker Road – The roadway will be repaired in select areas where notable base failure has occurred. Upon completion of the select base repair, the roadway will be overlaid with new bituminous paving.

On-street parking is not permitted on the above roads between 7am-4pm during active construction. Please plan accordingly.

Traffic control patterns may result in one-lane operation utilizing flaggers. This will result in location based traffic delays during the working hours of 7:00 am and 4:00 pm. There will also be limited access to/from driveways at times. The contractor will advise you of any driveway access restrictions. It is anticipated that the overall project will take approximately two weeks.

This is a necessary and temporary inconvenience in order for us to maintain our roadways. Perkiomen Township thanks you in advance for your cooperation.

If you have any questions regarding these projects, please contact the Road Master, Shawn Motsavage as 610-489-4034 at ext. 116.

Respectfully yours,

Cecile M. Daniel
Township Manager
