

# PERKIOMEN TOWNSHIP NATIVE PLANT WORKSHOP

*SPONSORED BY THE PERKIOMEN TOWNSHIP EAC*

Thursday, October 12th @ 6:30 pm

## About the Workshop:

Learn about the many benefits of native plants & the harmful environmental impacts of "lawn culture."

Different methods & tips for reducing lawn area & increasing native garden area on your property will be discussed, along with garden design & plant selection.

Participants will receive 3 native plants with their registration.

## Native Plant Benefits:

- Great for wildlife - provide local pollinators, birds & other wildlife with food & habitat resources.
- Filter & infiltrate stormwater.
- Require less maintenance & inputs than non-natives.
- Establish quickly & are naturally hardy & healthy.
- Provide a variety of colors, textures, & bloom times to add interest to your landscape.

## Date & Time:

Thursday, October 12th, 2023

6:30 pm - 7:30 pm

## Location:

Perkiomen Township Building  
1 Trappe Rd, Collegeville, PA 19426

## Cost:

\$5 per attendee.
